Resume

Profile

I'm Thijmen Smart, enthusiastic and creative, with a background in Communication and Multimedia Design from the University of Applied Sciences in Amsterdam. I love combining the powers of design and technology to create smart, beautiful solutions. Whether it's designing user-friendly interfaces, developing websites, or experimenting with digital photography and interactive media, I'm all in. I'm always open to new challenges that help me grow and contribute something meaningful. During my studies, I gained experience not only in the Netherlands but also internationally, such as during an exchange program at RMIT University in Vietnam. These experiences have given me a broader perspective and enriched my designs.

Education

Communicatie en Multimedia Design

Sep 2021 – Present

Hogeschool van Amsterdam, Amsterdam

In my Communication and Multimedia Design program, I blend my creativity with technology to create awesome digital solutions. I focus mainly on designing interactions and user experiences, and I create user-friendly websites and apps. This study helps me perfectly align technology with user needs, with a lot of attention to practical use and fine details.

Buitenlandse Minor

Feb 2024 – Jun 2024

RMIT University, Vietnam

During my exchange at RMIT University in Vietnam, I delved into cybersecurity, psychology, and photography. This broadened my view across various disciplines and helped me better understand international trends and cross-cultural communication. Additionally, I gained practical skills that perfectly complement my knowledge in multimedia design. This adventure greatly enriched my education, provided me with a global perspective, and made me more adaptable in various professional settings.

Employment

Host

Sep 2021 – Present

Trainmore, Amsterdam

Freelance Actor

Jan 2018 – Present

John Doornik Casting & Dutchcasting, Amsterdam

BBL Retail manager

Jan 2020 – Jan 2022

Perry Sport, Amstelveen

Internships

UX design and frontend development

Apr 2023 – Jun 2023

Tweakers, Amsterdam

At Tweakers, I significantly enhanced my skills in UX design and frontend development. I was involved in conducting A/B tests and fine-tuning user interfaces to continuously improve the user experience. This internship was a great opportunity to gain hands-on experience in conceptualizing and executing interactive designs, directly contributing to the enhancement of digital products.
